Sir:

EXPEDITE

It is respectfully requested that the attached Certificate of Correction be entered in the patent identified above.

On the face of the patent, the name of the Assignee is misspelled. A copy of the recorded Assignment showing the correct spelling is attached.

Figure 8 of the drawings should be replaced with the attached Figure 8 which is consistent with the specification and drawings as originally filed. In the drawings as originally filed with the application, the correct wavelength positions of the light-limits in nanometers were shown by handwritten corrections to the original drawings. These informal drawings with the

handwritten corrections were used by the Patent and Trademark Office throughout the 12/03/1999 ANDHANNI 00000034 5939142

prosecution of the application which lead to this patent. When formal drawings were submitted, the handwritten corrections were not made to the formal drawings submitted for printing.

The above errors in the patent occurred on the part of patentees' attorney. A check in the amount of \$100.00 is attached in accordance with 37 C.F.R. 1.20(a). This amount is believed to be correct; however, the Commissioner is hereby authorized to charge any deficiency or credit any overpayment to Deposit Account No. 50-0206.

Respectfully submitted,
